

Fill in the gaps

I (1) going to the river to pray	Boy you never told me
'Cause I need (2) that can	True love was (7) to hurt
(3) all the pain	True pain I don't deserve
And at most I'm sleeping all these demons away	Truth is that I (8) learn
But your ghost, the ghost of you	[2x:]
It keeps me awake	I keep going to the river to pray
My friends had you figured out	'Cause I (9) something that can wash all the pain
Yeah, they saw what's inside of you	And at most I'm sleeping all these demons away
You tried hiding another you	But your ghost, the ghost of you
But your evil was coming through	It keeps me awake
These guys sitting on the wall	Give up the ghost
They watch every move I make	Give up the ghost
Bright light living in the shade	Give up the ghost
Your cold heart makes my spirit shake	Stop the haunting baby
I had to go (4) hell to prove I'm not insane	Give up the ghost
Had to meet the devil just to know his name	Give up the ghost
And that's when my love was burning	Give up the ghost
Yeah, it's still burning	No more haunting baby
[2x:]	I keep going to the river
I keep going to the river to pray	[2x:]
'Cause I need something that can wash all the pain	I keep going to the river to pray
And at most I'm sleeping all these demons away	'Cause I need something that can wash all the pain
But (5) ghost, the ghost of you	And at most I'm sleeping all these demons away
It keeps me awake	But your ghost, the ghost of you
Each time that I think you go	It keeps me awake
I turn around and you're creeping in	
And I let you under my skin	
'Cause I (6) living in the sin
