

Fill in the gaps

I (1) going to the river to pray	Boy you never told me
'Cause I need something that can wash all the pain	True love was going to hurt
And at most I'm sleeping all these demons away	True pain I don't deserve
But your ghost, the (2) of you	Truth is that I never learn
It (3) me awake	[2x:]
My friends had you figured out	I keep going to the river to pray
Yeah, they saw what's inside of you	'Cause I need something that can wash all the pain
You tried hiding another you	And at most I'm sleeping all these (8) away
But your evil was coming through	But your ghost, the ghost of you
These guys sitting on the wall	It keeps me awake
They watch every move I make	Give up the ghost
Bright light living in the shade	Give up the ghost
Your cold heart makes my spirit shake	Give up the ghost
I had to go through hell to prove I'm not insane	Stop the haunting baby
Had to (4) the devil just to know his name	Give up the ghost
And that's (5) my love was burning	Give up the ghost
Yeah, it's (6) burning	Give up the ghost
[2x:]	No more haunting baby
I keep going to the river to pray	I keep going to the river
'Cause I need something that can wash all the pain	[2x:]
And at most I'm sleeping all these demons away	I keep going to the river to pray
But your ghost, the ghost of you	'Cause I (9) something that can wash all the pain
It keeps me awake	And at (10) I'm sleeping all these demons away
Each time that I think you go	But your ghost, the ghost of you
I turn (7) and you're creeping in	It keeps me awake
And I let you under my skin	
'Cause I love living in the sin	

- 1. keep
