Tell me, baby, what we're gonna do I know exactly how you feel I'll make it easy, got a lot to lose When you say you've had enough Watch the sunlight coming through And you might just give it up Open the window, let it shine on you Oh, oh 'Cause I've been sick and working all week I will (5)\_\_\_\_ \_\_\_\_\_ let you down And I've (1)\_\_\_\_\_ doing just fine (Hey!) When you're feeling low on love You've been tired of watching me I'll be what you dreaming of Forgot to have a good time, boy (Hey!) Oh, oh You can't take it all these faces I will never let you down Never keeping it real (Hey!) I know exactly how you feel Oh, oh When you say you've had enough I will never let you down And you (2)\_\_\_\_\_ just give it up (Hey!) Oh, oh Oh, oh I will never let you down I will never let you down When you're feeling low on love Let me take you where you never go I'll be what you (3)\_\_\_\_\_ of Have a little fun, it's the only way we know Oh, oh Let me show you what you (6)\_\_\_\_\_ see You know how to (7)\_\_\_\_\_ only (8)\_\_\_\_ you're I will never let you down (Hey!) holding me Oh, oh When you say you've had enough I will never let you down And you might just give it up (Hey!)
