

And you (17)_____ you had my back

Fill in the gaps

I miss the taste of a sweeter life	So I wonder where were you?
I miss the conversation	When all the roads you took came back to me
I'm searching for a song tonight	So I'm following the map (18) leads to you
I'm changing all of the stations	The map that leads to you
I like to think that we had it all	Ain't nothing I can do
We drew a map to a better place	The map that leads to you
But on that road I took a fall	Following, following to you
Oh baby why did you run away?	The map that leads to you
I was there for you	Ain't nothing I can do
In your (1) times	The map that leads to you
I was there for you	Oh oh oh
In your (2) nights	Oh oh oh
But I (3) where were you?	Yeah yeah
When I was at my worst	Oh oh oh
Down on my knees	Oh, I was there for you
And you said you had my back	Oh, in your darkest time
So I (4) where (5) you?	Oh, I was there for you
When all the (6) you took came (7)	to Oh, in (19) darkest nights
me	Oh, I was there for you
So I'm (8) the map (9)	Oh, in (20) darkest time
leads to you	Oh, I was there for you
The map that (10) to you	Oh, in your darkest nights
Ain't nothing I can do	But I wonder where were you?
The map that leads to you	When I was at my worst
Following, following to you	Down on my knees
The map (11) leads to you	And you said you had my back
Ain't nothing I can do	So I wonder (21) were you?
The map that (12) to you	When all the (22) you took came back to me
Following, following	So I'm following the map that leads to you
I hear your voice in my (13) at night	The map (23) leads to you
Hard to resist temptation	Ain't nothing I can do
'Cause (14) strange has	The map that (24) to you
(15) over me	Following, following to you
And now I can't get over you	The map (25) leads to you
No, I just can't get over you	Ain't (26) I can do
I was there for you	The map that leads to you
In your darkest times	Following, following
I was there for you	
In your darkest nights	
But I wonder (16) were you?	
When I was at my worst	
Down on my knees
