

Like a black widow, baby Black, black widow, baby

## Fill in the gaps

## Black Widow (feat. Rita Ora) by Iggy Azalea

'm (1) love ya	I'm gonna I-I-I-love you until it hurts
Jntil you hate me	Just to get you I'm doing whatever works
And I'm gonna show ya	You've (19) met nobody
Vhat's really crazy	That'll do you how I do ya
ou should've known better	That will bring you to your knees
Than to mess (2) me, honey	Praise (20) hallelujah
'm (3) (4) ya, I'm gonna love ya	I'm-a (21) you beg for it, plead for it
Gonna love ya, gonna love ya	Till you feel like you breathe for it
Like a black widow, baby	Till you do any and everything for it
This twisted cat and mouse game always starts the same	I want you to fiend for it
First we're (5) down to play then somehow you go	Wake up and dream for it
astray	Till it's got you gasping for air
Ne went from nothing to something, liking to loving	And you lean for it
t was us against the world and now we just fucking	'Till they have a CAT scan and check on your mind
t's like I loved you so much and now I just hate you	And it's nothing but me, on it (on it, on it, on it)
Feeling (6) for all the (7) that I	Now it's me-time (22) that
gave you	If it's yours when you want it
wanted all or nothing for us ain't no place in between	I wouldn't promise I (23) that
Might, (8) be me (9)	Till I'm everywhere that you be at
10) you say that you never mean	I can't fall back go quick
ike it'll last forever but now forever ain't as long	Cause (24) here a (25) attraction so I
f it wasn't for you I wouldn't be stuck (11)	take it all or I don't want shit
12) song	You used to be thirsty for me (Right)
ou were different from my last but now you got it mirrored	But now you wanna be set free
And as it all (13) out I see it couldn't be clearer	This is the web, web (26) you weave
Now sing	So baby now (27) in peace (It's all (28)
ou used to be thirsty for me	with now)
But now you wanna be set free	I'm gonna love ya
This is the web, web that you weave	Until you hate me (Right)
So (14) now rest in peace (It's all over with now)	And I'm gonna show ya (Show 'em what show 'em what)
'm gonna love ya	What's really crazy
Jntil you hate me (Right)	You should've known better
And I'm gonna show ya (Show 'em what show 'em what)	Than to mess with me, honey
Vhat's (15) crazy	I'm gonna love ya, I'm gonna love ya
ou should've (16) better	Gonna love ya, gonna love ya
Than to mess with me, honey (it's all over (17)	Like a black widow, baby
now)	Bl-bl-bla-black widow, baby
'm gonna love ya, I'm gonna love ya	
Gonna (18) ya, gonna love ya	

Fill in the gaps
