Lullaby (feat. Tori Kelly) by Professor Green

	It just makes my day harder, I wonder if
All the (1) I have layed in your love	It would've (11) any different if I had a father that
When your love kept me safe through the night	knew
All the time I was sure you were mine	Could it have helped shape the way that I grew?
And before time demands our goodbye	But the point of things I never have (12) from
Can you (2) me a last lullaby?	Being a reason for the things that I do
It's been a while since I last dreamt	To (13) being an excuse that I'd use
Barely remember (3) it's like to dream	I've gotta take (14) for the
Finding it hard to get to sleep, too stressed	things I do
And there ain't anyone to (4) a lullaby to me	Find something (15) than negativity for my fuel
Pretend shit doesn't get to me	But I feed off it, even when I don't seem bothered
And I suffer in silence (5) I'm hurting	I hide everything that's going on inside
A man's problems are his own	Guess it's been a while since I've been honest, I need help
And it's my burden	But I deny it and even lie to myself like I'm fine
Tossing and turning, trying to get to sleep	All the time I have layed in your love
But I (6) it hard to switch off when my mind's	When your love kept me (16) through the night
working	All the time I was sure you were mine
I ponder on things I shouldn't ponder on	And before (17) (18) ou
Off the rails, my train of thought's wandering	goodbye
Sick of pretending to be so happy	Can you sing me a (19) lullaby?
All the while my anxiety's away at me	I just wish someone would tell me it would be OK
My (7) crawling, I look up to the sky	But pessimism leads me to believe that it won't
And it falls, the walls close in and it's	To see even a glimmer of (20) in the darkness
As if all the good in my life disappears	Is hard and depression is a slippery slope
In an instant, that thing is just so distant	I don't wanna do what my dad did with a rope, though
So seeing the ones who I love, the ones who love me	So I carry on even though it's hard to
But I don't wanna tell em how I (8) in case they	The only (21) that's definite is (22)
judge me	and things (23) change
It's just me, wish I could let somebody in	As long as you give em a chance to
But I ain't ever (9) too trusting	All the time I have layed in your love
All the time I have layed in your love	When your (24) kept me safe through the night
When your love kept me safe through the night	All the time I was (25) you were mine
All the time I was sure you were mine	And (26) time demands our goodbye
And before time demands our goodbye	Can you sing me a last lullaby?
Can you sing me a last lullaby?	(Can you sing me a last lullaby?)
I've barely had any sleep when I get up	All the (27) I (28) layed in your love
Sick of all (10) nightmares and these night	When your love kept me safe through the night
terrors	All the time I was sure you were mine
Like it's only when I'm in heaven that I sleep better	And (29) time demands our goodbye
Might sleep better when I get up, I'm weak	Can you sing me a last lullaby?
