If only you could see the (1) in	Soledad
The world you (2) behind	It's a keeping for the lonely
If only you (3) heal my heart	Since the day that you were gone
Just one (4) time	Why did you leave me
Even when I close my eyes	Soledad
There's an (5) of your face	In my heart you were the only
And (6) (7) I come to realize	And your (18) lives on
You're a loss I can't replace	Why did you leave me
Soledad	Soledad
It's a keeping for the lonely	Time will never change the things
Since the day that you were gone	You told me
Why did you (8) me	And after all were meant to be
Soledad	Love will bring us (19) to you and me
In my heart you (9) the only	If (20) you could see
And (10) memory (11) on	Soledad
Why did you leave me	It's a keeping for the lonely
Soledad	Since the day that you (21) gone
Walking down the (12) of Nothingville	Why did you leave me
Where our love was young and free	Soledad
I cant believe just (13) an empty place	In my (22) you were the only
It has come to be	And your memory lives on
I would give my (14) away	Why did you (23) me
If it could (15) be the same	Soledad
Coz I can't (16) the voice inside of me	
That is calling out (17) name
