

Fill in the gaps

If only you could see the tears in	Soledad
The world you (1) behind	It's a keeping for the lonely
If only you could heal my heart	Since the day that you (7) gone
Just one more time	Why did you leave me
Even when I close my eyes	Soledad
There's an (2) of (3) face	In my heart you were the only
And once again I come to realize	And your memory lives on
You're a (4) I can't replace	Why did you leave me
Soledad	Soledad
It's a keeping for the lonely	Time (8) never change the things
Since the day that you were gone	You told me
Why did you leave me	And after all were meant to be
Soledad	Love will bring us back to you and me
In my heart you (5) the only	If (9) you could see
And your (6) lives on	Soledad
Why did you leave me	It's a keeping for the lonely
Soledad	Since the day that you were gone
Walking down the streets of Nothingville	Why did you leave me
Where our love was young and free	Soledad
I cant believe just what an empty place	In my heart you were the only
It has come to be	And your (10) lives on
I would give my life away	Why did you leave me
If it could only be the same	Soledad
Coz I can't still the voice inside of me	
That is calling out your name
