

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your legs don't work like they used to before
And I can't sweep you off of your feet
Will (1)_____ mouth (2)_____ remember the
taste of my love?
Will your eyes (3)_____ smile from (4)_____
cheeks?
Darling I will be (5)_____ you till we're seventy
And baby my (6)_____ could still feel as (7)_____
at (8)_____ three
And I'm thinking (9)_____ how
People (10)_____ in love in mysterious ways
Maybe (11)_____ the touch of a hand
Well me I fall in love with you (12)_____
(13)_____ day
And I just (14)_____ to tell you I am
So honey now
Take me (15)_____ your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my memory fades
And the (16)_____ don't remember my name
When my hands don't play the strings the same way
I know you (17)_____ still love me the same
Because honey (18)_____ (19)_____ could never
grow old

It's evergreen
And baby your smile is forever
In my mind and memory
I'm thinking about how
People fall in love in mysterious ways
And maybe it's all part of a plan
I'll (20)_____ keep on making the same mistakes
Hoping that you'll understand
That baby now
Take me into your loving arms
Kiss me under the (21)_____ of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Baby we found love
Right where we are
So baby now
Take me (22)_____ (23)_____ (24)_____
arms
Kiss me under the light of a (25)_____ stars
Oh darling, place your head on my (26)_____
heart
I'm (27)_____ out loud
Baby we found love right where we are
Baby we found love right where we are
And we found love right where we are

Fill in the gaps

Answer

1. your
