

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your legs don't work like they (1)_____ to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love?
Will your eyes still smile from your cheeks?
Darling I will be loving you till we're seventy
And baby my heart could still feel as (2)_____ at twenty
three
And I'm thinking about how
People fall in love in (3)_____ ways
Maybe just the (4)_____ of a hand
Well me I fall in love with you (5)_____ single day
And I just want to tell you I am
So honey now
Take me into (6)_____ loving arms
Kiss me under the light of a thousand stars
Place (7)_____ head on my beating heart
I'm thinking out loud
Maybe we (8)_____ love
Right where we are
When my hairs all but gone
And my memory fades
And the (9)_____ don't (10)_____
my name
When my hands don't play the strings the same way
I know you will still love me the same
Because (11)_____ your soul could never grow old

It's evergreen
And baby your (12)_____ is forever
In my mind and memory
I'm thinking about how
People fall in love in mysterious ways
And (13)_____ it's all part of a plan
I'll (14)_____ keep on making the same mistakes
Hoping that you'll understand
That baby now
Take me into your loving (15)_____
Kiss me under the light of a thousand stars
Place your (16)_____ on my (17)_____
heart
I'm thinking out loud
Baby we found love
Right where we are
So (18)_____ now
Take me into your loving arms
Kiss me under the light of a thousand stars
Oh darling, (19)_____ (20)_____ head on my
beating heart
I'm (21)_____ out loud
Baby we found love right where we are
Baby we (22)_____ love (23)_____ where we
are
And we (24)_____ love (25)_____ where we
are
