

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your legs don't (1)_____ like (2)_____ used
to before
And I can't (3)_____ you off of your feet
Will your mouth still (4)_____ the taste of my
love?
Will your eyes still smile (5)_____ your cheeks?
Darling I will be loving you till we're seventy
And baby my (6)_____ (7)_____ still feel as
(8)_____ at twenty three
And I'm (9)_____ about how
People fall in love in mysterious ways
Maybe just the (10)_____ of a hand
Well me I fall in love with you every single day
And I (11)_____ want to tell you I am
So honey now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your (12)_____ on my beating heart
I'm thinking out loud
Maybe we found love
Right (13)_____ we are
When my (14)_____ all but gone
And my memory fades
And the crowds don't remember my name
When my hands don't play the strings the same way
I know you will still love me the same
Because honey your (15)_____ (16)_____ never
grow old

It's evergreen
And baby your smile is forever
In my (17)_____ and memory
I'm thinking about how
People fall in love in mysterious ways
And (18)_____ it's all part of a plan
I'll just keep on (19)_____ the same mistakes
Hoping (20)_____ you'll understand
That baby now
Take me into your (21)_____ arms
Kiss me under the (22)_____ of a thousand stars
Place (23)_____ head on my beating heart
I'm thinking out loud
Baby we found love
Right where we are
So baby now
Take me (24)_____ your loving arms
Kiss me under the (25)_____ of a thousand stars
Oh darling, place your head on my beating heart
I'm thinking out loud
Baby we found love right where we are
Baby we found love right (26)_____ we are
And we found (27)_____ right (28)_____ we are

Fill in the gaps

Answer

1. work
