

Fill in the gaps

Thinking Out Loud by Ed Sheeran

When your legs don't work (1)_____ they used to before
And I can't sweep you off of (2)_____ feet
Will your mouth (3)_____ (4)_____ the
taste of my love?
Will (5)_____ eyes still smile from your cheeks?
Darling I will be loving you till we're seventy
And (6)_____ my heart could (7)_____
(8)_____ as hard at twenty three
And I'm (9)_____ about how
People fall in (10)_____ in mysterious ways
Maybe just the touch of a hand
Well me I fall in love with you every (11)_____ day
And I just want to tell you I am
So honey now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my memory fades
And the crowds don't remember my name
When my hands don't play the strings the same way
I know you will (12)_____ love me the same
Because honey your soul could never (13)_____ old

It's evergreen
And baby your smile is forever
In my mind and memory
I'm (14)_____ (15)_____ how
People fall in love in mysterious ways
And maybe it's all part of a plan
I'll just keep on making the same mistakes
Hoping that you'll (16)_____
That baby now
Take me into your loving arms
Kiss me (17)_____ the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Baby we found love
Right where we are
So baby now
Take me into (18)_____ (19)_____ arms
Kiss me under the light of a (20)_____ stars
Oh darling, (21)_____ your head on my beating heart
I'm thinking out loud
Baby we found (22)_____ right (23)_____ we are
Baby we (24)_____ love (25)_____ where we
are
And we found love right where we are

Fill in the gaps

Answer

1. like
