

## Fill in the gaps

### Thinking Out Loud by Ed Sheeran

When your legs don't work like they used to before  
And I can't sweep you off of your feet  
Will your mouth still remember the taste of my love?  
Will your eyes still smile from your cheeks?  
Darling I will be loving you till we're seventy  
And baby my heart could still feel as hard at twenty three  
And I'm thinking about how  
People fall in love in mysterious ways  
Maybe (1)\_\_\_\_\_ the touch of a hand  
Well me I (2)\_\_\_\_\_ in love with you every single day  
And I just want to tell you I am  
So honey now  
Take me into your loving arms  
Kiss me under the light of a thousand stars  
Place your (3)\_\_\_\_\_ on my beating heart  
I'm thinking out loud  
Maybe we found love  
Right where we are  
When my hairs all but (4)\_\_\_\_\_  
And my memory fades  
And the crowds don't remember my name  
When my hands don't play the strings the same way  
I know you will (5)\_\_\_\_\_ love me the same  
Because honey your soul could never grow old

It's evergreen  
And baby your smile is forever  
In my mind and memory  
I'm thinking (6)\_\_\_\_\_ how  
People fall in love in mysterious ways  
And maybe it's all part of a plan  
I'll just keep on making the same mistakes  
Hoping (7)\_\_\_\_\_ you'll understand  
That baby now  
Take me into your loving arms  
Kiss me under the light of a thousand stars  
Place your head on my beating heart  
I'm thinking out loud  
Baby we found love  
Right where we are  
So baby now  
Take me into your loving arms  
Kiss me under the light of a thousand stars  
Oh darling, place your head on my beating heart  
I'm thinking out loud  
Baby we found love right where we are  
Baby we (8)\_\_\_\_\_ love (9)\_\_\_\_\_ where we are  
And we found love right where we are

## Fill in the gaps

Answer

1. just
2. fall
3. head
4. gone
5. still
6. about
7. that
8. found
9. right
