Thinking Out Loud by Ed Sheeran

When your legs don't work like they used to before
And I can't sweep you off of your feet
Will your mouth still remember the taste of my love?
Will your (1)_____ still smile from your cheeks?
Darling I will be (2)_____ you till we're seventy
And baby my heart could still feel as hard at twenty three
And I'm thinking about how
People fall in love in (3)_____ ways
Maybe just the touch of a hand
Well me I fall in love with you every single day
And I just want to tell you I am
So honey now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your (4)_____ on my beating heart
I'm thinking out loud
Maybe we found love
Right where we are
When my hairs all but gone
And my memory fades
And the crowds don't (5)_____ my name
When my hands don't play the strings the same way
I know you will still love me the same
Because honey your soul could never grow old

It's evergreen
And baby your smile is forever
In my mind and memory
I'm thinking about how
People fall in love in mysterious ways
And maybe it's all part of a plan
I'll just keep on (6)_____ the same mistakes
Hoping (7)_____ you'll (8)_____
That baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Place your head on my beating heart
I'm thinking out loud
Baby we found love
Right where we are
So baby now
Take me into your loving arms
Kiss me under the light of a thousand stars
Oh darling, place your (9)_____ on my beating heart
I'm thinking out loud
Baby we found (10)_____ right where we are
Baby we found love right where we are
And we found love right where we are
