

## Runaway by Bon Jovi

On the street where you live girls talk about their social lives  
They're made of lipstick, plastic and paint, a touch of sable in their eyes  
All your life all you've asked when's (1)\_\_\_\_\_ Daddy gonna talk to you  
You were living in another world tryin' to get your message through  
No one heard a single word you said  
They should have seen it in your eyes  
What was going (2)\_\_\_\_\_ your head  
Chorus:  
Ooh, she's a little runaway  
Daddy's girl learned fast  
All those things he couldn't say  
Ooh, she's a little runaway  
A different line every night guaranteed to blow your mind  
I see you out on the streets, call me for a wild time  
So you sit home alone 'cause there's nothing left that you can do  
There's only pictures hung in the shadows left there to look at you  
You know she likes the lights at (3)\_\_\_\_\_ on the neon Broadway signs  
She don't really mind, it's only love she (4)\_\_\_\_\_ to find
