Sunbathing on a moon	Boom! Clap!
Stars shining as (2) bones illuminate	You make me feel good
First kiss just like a drug	Come on to me come on to me now
Under your influence	You are the light and I will follow
You take me over you're the magic in my veins	You let me lose my shadow
This must be love	You are the sun, the glowing halo
Boom! Clap!	And you keep (7) me up with all your love,
The sound of my heart	uh
The beat (3) on and on and on and on and	Boom! Clap!
