When I'm lost at sea

Fill in the gaps

Heaven Is A Place On Earth by Belinda Carlisle

Ooh baby, do you know what that's worth?	I (4) your voice
Ooh heaven is a place on earth	And it carries me
They say in heaven love (1) first	In this world we're just beginning
We'll make heaven a place on earth	To understand the miracle of living
Ooh, heaven is a place on earth	Baby I was afraid before
When the night falls down	But I'm not afraid anymore
I wait for you	Ooh baby, do you know what that's worth?
And you come around	Ooh heaven is a (5) on earth
And the world's alive	They say in heaven love comes first
With the sound of kids	We'll make (6) a place on earth
On the street outside	Ooh, heaven is a (7) on earth
When you walk into the room	In this world we're just beginning
You pull me close and we start to move	To understand the miracle of living
And we're spinning with the stars above	Baby I was afraid before
And you lift me up in a wave of love	But I'm not afraid anymore
Ooh baby, do you know what that's worth?	Ooh baby, do you know what that's worth?
Ooh heaven is a place on earth	Ooh heaven is a place on earth
They say in heaven (2) (3) first	They say in (8) love comes first
We'll make heaven a place on earth	We'll make heaven a place on earth
Ooh, heaven is a place on earth	Ooh, heaven is a place on earth
When I feel alone	Ooh, heaven is a place on earth
I reach for you	Ooh, heaven is a (9) on earth
And you bring me home	Ooh, heaven is a place on (10)
