

There will always be the kind that criticize

Fill in the gaps

There's a lightning in (1) eyes I can't deny	But I know, yes I know we'll be airight
Then there's me inside a sinking boat, running out of time	This time I'm ready to run
Without you I'll never make it out alive	Escape from the city and follow the sun
But I know, yes I know we'll be alright	'Cause I wanna be yours
There's a devil in your smile that's chasing me	'Cause you (6) be mine
And every time I turn (2) it's only gaining	I don't wanna get lost in the dark of the night
speed	This time I'm ready to run
There's a moment when you (3) realize	Wherever you are is the (7) I belong
There's no way you can change the rolling tide	'Cause I wanna be free
But I know, yes I know that I'll be fine	And I wanna be young
This time I'm ready to run	I'll never look back now I'm ready to run
Escape (4) the city and (5) the sun	This time I'm ready to run
'Cause I wanna be yours	I'll give everything (8) I got for your love
'Cause you wanna be mine	This time I'm ready to run
I don't wanna get lost in the dark of the night	Escape from the city and follow the sun
This time I'm ready to run	'Cause I (9) be yours
Wherever you are is the place I belong	'Cause you wanna be mine
'Cause I wanna be free	I don't wanna get (10) in the dark of the night
And I wanna be young	This time I'm ready to run
I'll never look back now I'm ready to run	Wherever you are is the place I belong
I'm ready to run	'Cause I wanna be free
There's a future in my life I can't foresee	And I wanna be young
Unless of course I stay on course	I'll never look back now I'm ready to run
And keep you next to me
