Stutter by Marianas Trench

Fill in the gaps

I know,	Stutter, Stutter, Stutter,
I never make this easy.	Di-di-di-di-did I?
It's easier to disappear.	Stutter, Stutter, Stutter,
You said,	Di-di-di-di-di-did I?
give me something,	Stutter, Stutter, Stutter,
A thing (1) I can go on.	Di-di-di-di-did I?
Together, anywhere but here.	Stutter, Stutter, Stutter,
Sing it back.	Di-di-di-di-di-did I?
Oh-oh, Oh-oh, Oh-oh	Oh, na na na,
Hey	Stutter.
Oh-oh, Oh-oh, Oh-oh-oh	Oh, na na na,
And I'm begging you,	Did I?
Bring me (2) to life,	Oh, na na na, (Yeah)
I just can't stand leaving you (3) tonight.	Oh, na na na,
It's too (4) to go,	Di-di-di-did I?
Already taken me forever just to try, you know.	Oh, na na na,
One for the money, two for the show,	Di-di-di-did I?
Three to get ready, and (5) to go.	Oh, na na na,
For the (6) of me,	Di-di-di
I don't know why it took me so long to see.	Oh, na na na,
Stutter, Stutter, Stutter,	Di-di-di
Di-di-di-di-did I?	Oh, na na na,
Stutter, Stutter, Stutter,	Di-di-di-di-
Di-di-di-di-di-did I?	Oh, na na na,
Stutter, Stutter, Stutter,	Di-di-di-did I?
Di-di-di-di-did I?	Oh-oh, Oh-oh, Oh-oh
Stutter, Stutter, Stutter,	And you been singing,
Di-di-di-di-di-did I?	Oh-oh, Oh-oh, Oh-oh-oh
Sunshine,	Hey,
blinds you if you stare but,	Bring me (13) to life,
Now I see, (crystal) crystal clear.	I just can't stand leaving you alone tonight.
So (7) I am,	It's too (14) to go,
You can (8) or leave me.	Already (15) me forever just to try, you know.
But I won't ever be anywhere but here.	One for the money, two for the show,
Sing it back.	Three to get ready, and four to go.
Oh-oh, Oh-oh, Oh-oh	For the life of me,
Sing it back to me.	I don't know why it took me so long to see.
Oh-oh, Oh-oh, Oh-oh-oh	Stutter, Stutter, Stutter,
And I'm begging you,	Di-di-di-di-did I?
Bring me back to life,	Stutter, Stutter,
I (9) can't stand leaving you alone tonight.	Di-di-di-di-di-did I?
It's too late to go,	Stutter, Stutter,
Already (10) me forever just to try, you know.	Di-di-di-di-did I?
One for the money, two for the show,	Stutter, Stutter, Stutter,
Three to get ready, and (11) to go.	Di-di-di-di-di-did I?
For the life of me,	
I don't (12) why it took me so long to see.
