## Battlefield by Lea Michele

## Fill in the gaps

It's easy to fall in love	Still it's hard to put the fire out
But it's so hard to break somebody's heart	What seemed like a good idea's
What seemed like a good idea	Turned (5) a battlefield
Has turned into a battlefield	Feelings are shifting like the tide
Once lust has turned to dust	And I think too much about the future
And all that's left has held breath	What seemed like a good idea's
Forgotten who we first met	Turned into a battlefield
What seemed like a good idea's	We (6) know it's coming
Turned into a battlefield	Does illusion count for something we had?
We both know it's coming	The surface tension's gotta break
Does illusion (1) for something we had?	One drop is all it takes to flood out this lie
The surface tension's gotta break	You and I, we have to let each other go
One drop is all it takes to flood out this lie	We keep holding on, but we both know
You and I, we have to let each other go	What seemed like a good idea's
We (2) holding on, but we (3) know	Turned into a battlefield
What seemed like a good idea's	Peace will come when one of us puts down the gun
Turned into a battlefield	Be strong for both of us
Peace will come when one of us (4) down the gun	No, please, don't run, don't run
Be strong for both of us	Eye to eye we face our fears
No, please, don't run, don't run	Unarmed on battlefield
Eye to eye we face our fears	We (7) like a good idea
Unarmed on battlefield	We (8) like a good (9)
We seemed like a good idea	We seemed like a good (10)
We seemed like a good idea	We seemed like a good idea
No blood will spill if we both get out now
