

## Fill in the gaps

It's easy to fall in love	Still it's (8) to put the fire out
But it's so hard to break somebody's heart	What seemed like a (9) idea's
What seemed like a good idea	Turned into a battlefield
Has turned into a battlefield	Feelings are shifting like the (10)
Once lust has turned to dust	And I think too much (11) the future
And all that's left has held breath	What seemed like a good idea's
Forgotten who we first met	Turned into a (12)
What (1) like a good idea's	We (13) know it's coming
Turned into a battlefield	Does (14) (15) for
We both know it's coming	(16) we had?
Does illusion count for something we had?	The surface tension's (17) break
The surface tension's gotta break	One (18) is all it takes to (19) out this
One drop is all it (2) to flood out this lie	lie
You and I, we (3) to let each other go	You and I, we have to let (20) other go
We keep holding on, but we both know	We keep (21) on, but we both know
What seemed like a good idea's	What seemed like a good idea's
Turned into a battlefield	Turned (22) a battlefield
Peace will come (4) one of us (5) down	Peace (23) come when one of us puts
the gun	(24) the gun
Be strong for both of us	Be strong for both of us
No, please, don't run, don't run	No, please, don't run, don't run
Eye to eye we (6) our fears	Eye to eye we (25) our fears
Unarmed on battlefield	Unarmed on battlefield
We seemed like a good idea	We seemed like a (26) idea
We seemed like a good idea	We (27) like a good idea
No (7) will spill if we both get out now	We seemed like a (28) idea
	We seemed like a good idea

## Fill in the gaps

- 1. seemed
