

And the fallen hero haunts my thoughts

## Fill in the gaps

Seven whole days, seven whole days	How could you leave me this way
Since you paralyzed me	It's been seven whole days without your embrace
Seven whole days, seven whole days	I wanna see your face
Since you lost your fight	I got some things to say
And I can't get the last words that you said	Was just a week ago
Can't get those words out of my head	You said I love you girl
Seven whole days, seven whole days and (1)	I said I (8) you more
(2)	And a breath, a pause, you said, if you say so
And I can't get away from the burning pain a light you	If you say so
(3)	If you say so
And the fallen hero haunts my thoughts	If you say so
How could you leave	I can't believe it's true
me this way	I keep looking for you
t's been seven whole days without your embrace	I check my phone and wait to hear from you in a crowded
wanna see your face	room
