

## Fill in the gaps

Seven whole days, seven whole days	How could you leave me this way
Since you paralyzed me	It's been seven whole days without your embrace
Seven whole days, seven whole days	I wanna see your face
Since you lost your fight	I got some things to say
And I can't get the last words that you (1)	Was (6) a week ago
Can't get those words out of my head	You said I love you girl
Seven (2) days, seven whole days and four	I said I love you more
words	And a breath, a pause, you said, if you say so
And I can't get away from the burning pain a light you wake	If you say so
And the fallen hero haunts my thoughts	If you say so
How could you leave	If you say so
me this way	I can't believe it's (7)
It's been seven whole days without your embrace	I keep looking for you
I wanna see your face	I check my phone and wait to hear from you in a crowded
I got some things to say	room
Was just a week ago	The joker is so cruel
You said I love you girl	And now I'll never know if all I've been told is just a lie so false
I (3) I love you more	
And a breath, a pause, you said, if you say so	I (8) we would grow old
If you say so	Mirrors in the smoke
If you say so	Left me here choke
If you say so	It's been seven whole (9) without your embrace
It's been seven whole days, seven whole days	I wanna see your face
Since I heard the phone ring	I got (10) things to say
Seven whole days, seven whole days	Was just a week ago
Since I heard your voice	You said I love you girl
And I can't get the last (4) that you said	I said I love you more
Can't get those words out of my head	And a breath, a pause, you said, if you say so
It's been seven whole days, seven whole days of pure hurt	If you say so
And I can't get (5) from the burning pain a light you	If you say so
wake	If you say so
And the fallen hero haunts my thoughts
