If You Say So by Lea Michele

Fill in the gaps

Seven whole days, seven whole days	How could you leave me this way
Since you paralyzed me	It's been seven (8) days without your embrace
Seven whole days, seven whole days	I wanna see your face
Since you lost your fight	I got some things to say
And I can't get the last words that you said	Was just a week ago
Can't get those words out of my head	You said I love you girl
Seven whole days, seven whole days and four	I said I love you more
(1)	And a breath, a pause, you said, if you say so
And I can't get away from the burning pain a light you wake	If you say so
And the fallen hero haunts my thoughts	If you say so
How could you leave	If you say so
me (2) way	I can't believe it's true
It's been seven whole days without (3) embrace	I keep looking for you
I (4) see your face	I check my (9) and wait to hear from you in a
I got some things to say	crowded room
Was just a week ago	The joker is so cruel
You said I love you (5)	And now I'll never know if all I've been told is just a lie so false
I said I love you more	
And a breath, a pause, you said, if you say so	I thought we would grow old
If you say so	Mirrors in the smoke
If you say so	Left me here choke
If you say so	It's been seven whole days without your embrace
lt's (6) seven whole days, seven whole days	I wanna see your face
Since I heard the phone ring	I got some things to say
Seven whole days, (7) whole days	Was just a week ago
Since I heard your voice	You said I love you girl
And I can't get the last words that you said	I said I love you more
Can't get those words out of my head	And a breath, a pause, you said, if you say so
It's been seven whole days, seven whole days of pure hurt	If you say so
And I can't get away from the burning pain a light you wake	If you say so
And the fallen hero haunts my thoughts	If you say so
