

Fill in the gaps

Now excuse me if I sound rude	You got me so, so wrapped up
But I love the way that you move	There's (6) something about you
And I see me all over you now	You wrapped up
Baby when I look in your eyes	You got me so, so wrapped up
There's no way that I can disguise	There's just something about you
All these crazy thoughts in my mind now	[Travie McCoy]
There's just something about you	My princess so intelligent
You got the lock	Make me wanna reapply to school for the hell of it
got the key	I'll be the student, you be the teacher
You know the rest	Ms. Sophisticated, such a pleasure to meet ya
You know just where I wanna be	Yeah, but here's the only issue since we met
Don't ever stop controlling me	You kinda turned my world upside down
kinda (1) it (2) you (3)	And I don't really mind spiderman kissing you
me to my knees	As long as you're plagnning on sticking around
You got me wrapped up	The happiest boy in the world (7) goes to me
Around your finger	Not a chance nobody came close to 'em
'd do anything for your love now	I (8) knew you was troublesome
And when you touch it, the feeling lingers	You got me wrapped around (9)
Takes me up so I high I can't come down	(10) like bubblegum
You got me wrapped up baby	[Olly Murs]
don't ever wanna give up	Everything that you do
All this spell you got me under	Every way that you move
see fireworks when we touch now	There's just something about you
There's just something about you	There's just something about you
Your body fits on mine like a glove	Everything that you do
Let them say whatever they want	Every way that you move
t's too (4) cause you're in my blood now	There's just something about you
You got the lock	Girl you got me wrapped up
got the key	Around your finger
You know the rest	I'd do anything for your love now
You know just where I wanna be	And when you touch it, the feeling lingers
Don't ever stop controlling me	Takes me up so I high I can't come down
kinda like it when you (5) me to my knees	Girl, You got me wrapped up
You got me wrapped up	You got me so, so wrapped up
Around your finger	There's just something about you
'd do anything for your love now	You wrapped up
And when you touch it, the feeling lingers	You got me so, so wrapped up
Takes me up so I high I can't come down	There's just something about you
Girl, You got me wrapped up
