

Fill in the gaps

Now excuse me if I sound rude		You got me so, so wrapped up
But I love the way that you move		There's just something about you
And I see me all over you now		You wrapped up
Baby when I (1) in your eyes		You got me so, so wrapped up
There's no way that I can disguise		There's just something about you
All these crazy thoughts in my mind now		[Travie McCoy]
There's just something about you		My princess so intelligent
ou got the lock		Make me wanna reapply to school for the hell of it
got the key		I'll be the student, you be the teacher
ou know the rest		Ms. Sophisticated, such a pleasure to meet ya
ou know just where I wanna be		Yeah, but here's the only issue since we met
Oon't ever stop controlling me		You kinda turned my world upside down
kinda like it when you bring me to my knees		And I don't really mind spiderman kissing you
ou got me wrapped up		As long as you're plagnning on (6)
Around your finger		around
'd do anything for your love now		The (7) boy in the world award goes to
And when you touch it, the feeling lingers		me
Fakes me up so I high I can't (2) down		Not a chance nobody came close to 'em
ou got me wrapped up baby		I kinda knew you was troublesome
don't ever wanna give up		You got me wrapped around your finger like bubblegum
All this spell you got me under		[Olly Murs]
see fireworks when we touch now		Everything that you do
There's just something about you		Every way that you move
our body (3) on mine like a glove		There's just something about you
Let them say whatever (4) want		There's just (8) about you
t's too late cause you're in my blood now		Everything that you do
ou got the lock		Every way (9) you move
got the key		There's just something about you
ou know the rest		Girl you got me wrapped up
ou know just (5) I wanna be		Around your finger
Don't ever stop controlling me		I'd do anything for your love now
kinda like it when you bring me to my knees		And when you touch it, the feeling lingers
ou got me wrapped up		Takes me up so I (10) I can't come down
Around your finger		Girl, You got me wrapped up
'd do anything for your love now		You got me so, so wrapped up
And when you touch it, the feeling lingers		There's just something about you
Takes me up so I high I can't come down		You wrapped up
Girl, You got me wrapped up		You got me so, so wrapped up
	De:	There's just something about you
