## Nothing Really Matters by Madonna

When I was very young		Nothing really matters
Nothing really (1)	to me	Love is all we need
But making myself happy		Everything I give you
was the (2) one		All comes back to me
Now that I am grown		Nothing really matters
Everything's changed		Love is all we need
'll never be the same		Everything I (8) you
Because of you		All comes back to me
Nothing really matters		Nothing takes the past away
ove is all we need		Like the future
Everything I (3) you		Nothing makes the darkness go
All (4) (5) to i	me	Like the light
ooking at my life		You're shelter (9) the storm
t's very clear to me		Give me comfort in (10) arms
lived so selfishly		Nothing really matters
was the only one		Love is all we need
realize		Everything I give you
That (6) wins		All comes back to me
Something is ending		
And (7) begins	3
