## Naturally by Selena Gomez

## Fill in the gaps

Naturally	And I love the way you know who you are
How you choose to express yourself	And to me it's exciting
It's all your own and I can tell	When you know it's meant to be
It (1) naturally	Everything comes naturally, it comes naturally
It comes naturally	When you're with me, baby
You follow what you feel inside	Everything comes naturally, it comes naturally
It's intuitive you don't have to try	Bay bay baby
It comes naturally, hmm it (2) naturally	Bay bay baby
And it (3) my breath away (away, away, away)	When we collide, (7) fly
You are the thunder and I am the lightning	When you look in my eyes, it takes my breath away
And I love the way you (4) who you are	(It takes my breath away) (you are!)
And to me it's exciting	You are the (8) and I am the lightning
When you know it's meant to be	And I know it's meant to be
Everything comes naturally, it comes naturally	You are the (9) and I am the lightning
When you're with me, baby	And I (10) the way you know who you are
Everything (5) naturally, it comes naturally	And to me it's exciting
Bay bay baby	When you know it's meant to be
You have a way of moving me	Everything comes naturally, it comes naturally
A force of nature, your energy	When you're with me, baby
It comes naturally	Everything comes naturally, it comes naturally
It comes naturally, hmm yeah	Bay bay baby
And it (6) my breath away (away, away, away)	Bay bay baby
What you do, so naturally	Everything baby comes naturally
You are the thunder and I am the lightning
