

Fill in the gaps

the moment

You're my last breath,	And we gave it time
you're a (1) of fresh air to me	All eyes are on the clock
I am empty	Time takes too much time
So tell me you (2) for me	Please make the waiting stop
You're the first thing	And the atmosphere is charged
And the last (3) on my mind	In you I trust
In your arms I feel	And I feel no fear as I
Sunshine	Do as I must
Give up yourself unto the moment	Give up yourself (8) the mom
The time is now	The (9) is now
Give up yourself (4) the moment	Give up yourself unto the moment
Let's (5) this moment last	Let's make this moment last
You may find yourself	Give up yourself unto the moment
Out on a limb for me	The time is now
Could you expect it as	Give up yourself unto the moment
A (6) of your destiny?	Let's make (10) moment last
I give all I have	Tempted by fate
But it's not enough	And I won't hesitate
And my patience is shot	The time is now
So I'm calling your bluff	Let's make this moment last
Give up yourself unto the moment	And the night is young
The time is now	The time is now
Give up (7) unto the moment	Let's make this moment last
Let's make this moment last	Give up yourself unto the moment
Give up yourself unto the moment	The time is now
The time is now	Give up yourself unto the moment
Give up yourself unto the moment	Let's make this moment, last
Let's make this moment last
