Fill in the gaps

She Makes My Day by Robert Palmer

	I'll (19) be lonely now I know her
I (1) so lucky loving her	She fills my heart with joy, she makes my day
Tell me what (2) is magic for	She just has to smile to blow my cares away
She thinks it's (3) left unsaid	She just has to touch my hand, to (20) me stay.
She makes her (4) up in a glance	I (21) so lucky loving her
It really made a difference	Tell me what else is magic for
I seem to be (5) hers	She (22) it's better left unsaid
She's like a new girl everyday	She makes her mind up in a glance
And all the rest don't bother me	It (23) made a difference
I'm far too busy loving her	I seem to be unconditionally hers
I'll never be lonely now I know her	She's like a new (24) everyday
She fills my heart with joy, she (6) my day	And all the rest don't bother me
She just has to smile to (7) my (8)	I'm far too (25) loving her
away	I'll never be lonely now I know her
She just has to touch my hand, to make me stay.	She fills my heart with joy, she makes my day
She's all good (9) at once	She just has to smile to blow my cares away
She's all (10) loving at once	She just has to (26) my hand, to make me sta
She's all (11) loving at once	She's all good loving at once
She's all good loving at once	She's all good loving at once
Our love was unintentional	She's all good loving at once
She (12) we're not responsible	She's all good loving at once
She thinks (13) her chin up	She's all good loving at once
She always (14) uncommon sense	She's all good loving at once
Always (15) just what to say	She's all good loving at once
She always (16) me unawares	She's all (27) loving at once
In (17) time (18) it takes to fall,	
I'm here and there you are
