

Fill in the gaps

When I need motivation	But I'm empty when you're gone
My one solution is my queen	And they say
'Cause she' (1) strong yeah	Do you need me
She is always in my corner	Do you think I'm pretty
Right there when I want her	Do I make you feel like cheating?
All these other girls are tempting	And I'm like no, not really cause'
But I'm empty when you're gone	Oh I think that I found myself a cheerleader
And they say	She is (5) right there (6) I need her
Do you need me	Oh I think that I found myself a cheerleader
Do you think I'm pretty	She is always right there when I need her
Do I make you feel like cheating?	She gives me love and affection
And I'm like no, not really 'cause	Baby did I mention, you're the only (7) for me
Oh I think (2) I found myself a cheerleader	No I don't (8) the next one
She is (3) right there when I need her	Mama (9) you too, she thinks I made the right
Oh I think that I found myself a cheerleader	selection
She is always right there when I need her	Now all that's left to do
She walks like a model	Is just for me to pop the question
She grants my wishes like a genie in a bottle	Oh I think I found myself a cheerleader
'Cause I'm the wizard of love	She is always right there when I need her
And I got the magic wand	Oh I think I found myself a cheerleader
All (4) other girls are tempting	She is (10) right there when I need her
