

Had been disaffected

Fill in the gaps

Died last night in my dreams	Now, i'm searching for trust
Walking the streets	In a city of rust
Of some old ghost town	A (5) of vampires
tried to believe	Tonight, (6) is dead
n God and James Dean	And everyone's spread
But Hollywood (1) out	And love is a satire
Saw all of the saints	And now I know my (7) is a ghost town
_ock up the gates	My heart is a ghost town
could not enter	My heart is a ghost town
Nalked into the flames	My heart is a ghost town
Called out your name	There's no one left in the world
But there was no answer	I'm gunslingin'
And now I know my (2) is a (3)	Don't (8) a fuck if I go
rown	Down, down, down
My heart is a ghost town	I got a voice in my head that keeps singing
My heart is a ghost town	Oh, my heart is a ghost town
My heart is a ghost town	My heart is a ghost town
Died last night in my dreams	Oh, my heart is a ghost town
All the machines	(Said, my heart)
Had (4) disconnected	My heart is a ghost town
Time was thrown at the wind	My heart is a ghost town
And all of my friends
