## Still In Love With You by Electro Velvet

## Fill in the gaps

Well, don't get on the wrong train		(Oh yes)
Don't fly in an old plane		[Instrumental]
Don't go out in the pouring rain		Everybody dance
You might get wet I'd be upset		Everybody dance
You're (1)	to get sneezes	Everybody dance
Or nasty diseases		Everybody dance
Take good care when I'm not there		Skiddy-beep-bop-doo
I'm still in love with you		Dee-dee-dee
While I'm on vacation		(Sounding good, sugar!)
You be a good patient		Skiddy-beep-bop-doo
Take (2) medication		Dee-dee-dee
I worry so each time I go		(You take care now, honey)
Try to keep warm, dear		Don't (8) a fuss, you need to trust me
In case there's a storm, dear		This is how it always must be
Take good care (3) I'm not there		When I stop to think of us, I can assure you, I adore you
I'm (4) in love with you		Because you're so gorgeous
Some younger guys (5) roving eyes may tantalise		You (9) to be cautious
you with their lies		Take good care when I'm not there, I'm still in love with you
You must be wise and realise, leave well alone till you get		You have a fun time,
home, dear		And soak up that sunshine
Won't see other fellas, don't wanna make you jealous		But don't drink too much wine,
No need to fear when you're not here, I'm still in love with you		Just one or two will have to do
Let's dance, dance		I know what you're thinking
Dance		So I won't be drinking
Don't (6) on the red light		No need to fear when you're not here, I'm still in love with you
Don't stay out at midnight		I'm still in love with you
Don't get in a fist fight, that pretty face can't be replaced		I'm still in love with you
Won't be out at night, h	non	
It wouldn't be right hon		
No need to fear (7) you're not here, I'm still in love		
with you
