## Not Letting Go Ft. Jess Glynne by Tinie Tempah

Ready for the summer, girl, your (1) look killer	She 22, we in the Le Fountain Bleu
See your (2) getting bigger but your waist looks	I'll miss you three, you know she cool me
slimmer	Then I make you take it off and pull it all on me
And I hope I'm still with you when your hair gets thinner	Playing in the sheets, don't sleep tonight
I ain't gotta work it out, I know I'm on to a winner	Playing R. Kelly, I Believe I Can Fly, yeah
And I love it when I see you sing a song in the mirror	She (12) the hook but she don't know the verse
When you play your favourite records	She know I lover her even if I (13) say the words
Where there ain't no filler	You are something I can't replace
Chicki-cha-chicki-chicki, Sade, J Dilla	You (14) my heart work
Now I'm on the right track from a train to a limo	You make me stronger
Now I'm on the (3) track	I'm not letting go, I'm not letting go
Used to know me back in college now I got it like that	You are something I can't replace
Could've gotten sidetracked, now I'm back on my feet	You make my heart work
If I hadn't achieved, would you pack up and leave?	You make me stronger
Now you're scratching on me like we're Adam and Eve	l'm not (15) go, l'm not
Playing (4) to Ignition in the back of the Jeep, ah	(16) go
She like the hook but she don't know the verse	I'm not letting go, I'm not letting go
She know I lover her even if I (5) say the words	I'm not letting go, I'm not letting go
You are something I can't replace	Oi my size, I see you're quite shy
You make my (6) work	Guess I'm a sucker for those nice eyes
You make me stronger	I ain't in it for the money or the fame
I'm not letting go, I'm not letting go	I'm the one (17) all the honeys couldn't tame, yo I
You are (7) I can't replace	changed
You (8) my heart work	(You make my heart work)
You make me stronger	(You make me stronger)
I'm not letting go, I'm not letting go	You know I changed
I'm not letting go, I'm not (9) go	(This thing we have it can't be bought)
I'm not letting go, I'm not letting go	You are something I can't replace
Living in a bubble, we ain't struggling life	You make my heart work
Ready for your trouble and a couple advice	You make me stronger
Why don't you stay over here and keep me up in the night	I'm not letting go, I'm not letting go
And when you're coming in here, I'll do it just like you like	You are something I can't replace
Girl I'm ready for your loving, girl I keep on falling	You make my heart work
You my lucky number that I keep on calling	You make me stronger
Wanna never let me go, she said she fed up of trying	I'm not letting go, I'm not letting go
Cause I kiss her in the (10) and I leave in the	I'm not letting go, I'm not letting go
morning	I'm not letting go, I'm not letting go
I (11) her one, already know she the one
