

## Fill in the gaps

From walking (1) and (2) loads	And I'll be me
To seeing (3) in (4) clothes	Everything that's broke
with you	Leave it to the breeze
From nervous touch and (5) drunk	Why don't you be you
To (6) up and waking up (7) you	And I'll be me
But now we're sleeping at the edge	And I'll be me
Holding (8) we don't need	Trying to fit your (18) inside of mine
All (9) delusion in our heads	When we know it (19) don't belong
Is gonna bring us to our knees	There's no force on earth
So (10) on let it go	Could (20) me feel right, no
Just let it be	Whoa
Why don't you be you	Trying to push this problem up the hill
And I'll be me	When it's just too heavy to hold
Everything that's broke	Think now's the time to let it slide
Leave it to the breeze	So come on let it go
Why don't you be you	Just let it be
And I'll be me	Why don't you be you
And I'll be me	And I'll be me
From throwing (11) across the floor	Everything that's broke
To (12) and claws and slamming doors at you	Leave it to the breeze
If this is all we're living for	Let the ashes fall
Why are we (13) it, doing it, doing it anymore	Forget (21) me
I used to recognize myself	Come on let it go
It's (14) how reflections change	Just let it be
When we're (15) something else	Why don't you be you
I (16) it's time to (17) away	And I'll be me
So come on let it go	And I'll be me
Just let it be	
Why don't you be you
