

Why don't you be you

## Fill in the gaps

From walking home and talking loads				And I'll be me
To seeing shows in evening clothes with you				Everything that's bro
From nervous touch and getting drunk				Leave it to the breez
To staying up and waking up with you				Why don't you be yo
But now we're sleeping at the edge				And I'll be me
Holding something we don't need				And I'll be me
All this (1)	in our	heads		Trying to fit your (6)
Is gonna bring us to our knees				When we know it jus
So come on let it go				There's no (8)
Just let it be				Could make me feel
Why don't you be you				Whoa
And I'll be me				Trying to push this p
Everything that's broke				When it's just too he
Leave it to the breeze				Think now's the time
Why don't you be you				So come on let it go
And I'll be me				Just let it be
And I'll be me				Why don't you be yo
From throwing clothes across the floor				And I'll be me
To teeth and claws and slamming (2) at you				Everything that's bro
If this is all we're living for				Leave it to the breez
Why are we doing it, doing it, anymore				Let the ashes fall
I used to recognize myself				Forget about me
It's funny how reflections change				Come on let it go
When we're becoming (3) else			else	Just let it be
I (4) it's	(5) to	walk away		Why don't you be yo
So come on let it go				And I'll be me
Just let it be				And I'll be me

And thi be me		
Everything that's broke		
Leave it to the breeze		
Why don't you be you		
And I'll be me		
And I'll be me		
Trying to fit your (6) (7) of n		
When we know it just don't belong		
There's no (8) on earth		
Could make me feel right, no		
Whoa		
Trying to push this problem up the hill		
When it's just too heavy to hold		
Think now's the time to let it slide		
So come on let it go		
Just let it be		
Why don't you be you		
And I'll be me		
Everything that's broke		
Leave it to the breeze		
Let the ashes fall		
Forget about me		
Come on let it go		
Just let it be		
Why don't you be you		
And I'll be me
