From (1) home and to	alking loads	And I'll be me
To seeing shows in evening clothes with you		Everything that's broke
From (2) touch and g	etting drunk	Leave it to the breeze
To staying up and (3) up	p with you	Why don't you be you
But now we're sleeping at the edge		And I'll be me
Holding something we don't need		And I'll be me
All (4) delusion in our heads		Trying to fit your hand inside of mine
Is (5) bring us to our knees	S	When we know it (8) don't belong
So (6) on let it go		There's no force on earth
Just let it be		Could make me feel right, no
Why don't you be you		Whoa
And I'll be me		Trying to push this problem up the hill
Everything that's broke		When it's (9) too heavy to hold
Leave it to the breeze		Think now's the time to let it slide
Why don't you be you		So come on let it go
And I'll be me		Just let it be
And I'll be me		Why don't you be you
From throwing clothes across the floor		And I'll be me
To teeth and claws and slamming doors	at you	Everything that's broke
If this is all we're living for		Leave it to the breeze
Why are we doing it, doing it, doing it an	nymore	Let the ashes fall
I used to recognize myself		Forget (10) me
It's funny how reflections change		Come on let it go
When we're (7) soi	mething else	Just let it be
I think it's time to walk away		Why don't you be you
So come on let it go		And I'll be me
Just let it be		And I'll be me
Why don't you be you
