

Fill in the gaps

Let It Go by James Bay

From walking home and (1)_____ loads

To (2)_____ shows in evening clothes (3)_____
you

From nervous touch and getting drunk

To staying up and waking up with you

But now we're sleeping at the edge

Holding something we don't need

All this delusion in our heads

Is gonna bring us to our knees

So come on let it go

Just let it be

Why don't you be you

And I'll be me

Everything that's broke

Leave it to the breeze

Why don't you be you

And I'll be me

And I'll be me

From throwing clothes across the floor

To teeth and (4)_____ and slamming doors at you

If (5)_____ is all we're living for

Why are we doing it, doing it, doing it anymore

I (6)_____ to recognize myself

It's funny how reflections change

When we're becoming something else

I think it's time to walk away

So come on let it go

Just let it be

Why don't you be you

And I'll be me

Everything that's broke

Leave it to the breeze

Why don't you be you

And I'll be me

And I'll be me

Trying to fit (7)_____ (8)_____ inside of mine

When we know it (9)_____ don't belong

There's no force on earth

Could make me feel right, no

Whoa

Trying to push (10)_____ problem up the hill

When it's just too heavy to hold

Think now's the time to let it slide

So come on let it go

Just let it be

Why don't you be you

And I'll be me

Everything that's broke

Leave it to the breeze

Let the ashes fall

Forget about me

Come on let it go

Just let it be

Why don't you be you

And I'll be me

And I'll be me
