

Fill in the gaps

Us Against The World by Coldplay

There is no one else that I can say this to	If you have a problem I'll be here for you
And there is (1) better than talk to you	Cause girl you always know that it's us (11)
If you have a problem, I'll be here for you	the world
Cause girl you always know that it's us against the world	Whenever you're near there is no fear
I met someone the (2) night,	It feels like there's nothing that I can't do
Someone I (3) started to like	You make me feel strong cause it's here (12) you
How will I know if he's right for me?	that I belong
I wonder if we are meant to be	There is no one else that I can say this to (oooohhh yeah)
Don't start to like him too much too soon	And (13) is nothing better than (14)
There is no one else that I can say this to	to you (there's (15) better)
And there is nothing better than talk to you	If you have a problem I'll be here for you (for you ohohoh)
If you have a problem I'll be here for you	Cause girl you always (16) that
Cause girl you (4) know that it's us against	There ain't nobody else but you
the world	that makes me feel the way that I do
You know (5) boy I started to see	There ain't (17) (18) but you (uuu)
He think's he can help it all for free	It's us against the world
I (6) if he still the one for me?	There is no one else that I can say (19) to
I try talk to (7) in to see	And there is nothing better than (20) to you
Don't start to like him too much too soon	If you (21) a (22) I'll be
There is no one else that I can say (8) to	(23) for you
And there is nothing better than talk to you	(if you (24) a problem tell me)
If you have a problem I'll be here for you	Cause girl you always know that it's us against the
Cause girl you always (9) that it's us	(25)
(10) the world	(Now you know I'll be there)
No one else that I can say this to	There is no one else that I can say this to
And there is nothing better than talk to you	And there is nothing better than talk to you
	If you have a problem I'll be here for you
	Cause (26) you always know that it's us agains
	the (27)

1. nothing

- 2. other
- 3. really
