

Fill in the gaps

I remember us alone
Waiting for the light to go
Don't you feel that hunger?
I've got so (1) secrets to show
When I saw you on that stage
I shiver with the look you gave
Don't you hear that rhythm?
Can you show me how we can escape?
I was biding my time
I was trying to hide
I'll forget what I've done
I will be redefined
It's (2) the sky
And I'm following lightning
I'll recover if you (3) me alive
Don't leave me behind
Can you see me? I'm shining
And it's you that I've been waiting to find
I'm holding it all tonight
I'm folding it all tonight
You know that you make it shine
It's you that I've been waiting to find
(bis)
Now that we can hear that sound
I know that you can hold me down
You can't pull me under
You can raise everything to the ground
Everything I can arrange
And every part of me you change
Just hold me together
Tell me you'll always want me to stay
I was biding my time

I was trying to hide
I'll forget what I've done
I'll be redefined
It's shaking the sky
And I'm following lightning
I'll recover if you keep me alive
Don't leave me behind
Can you see me? I'm shining
And it's you that I've been waiting to find
I (4) to be the one you steal
I want to be the one you shield
I want to be the one that your love
That your love can heal
I want to be the one you steal
I want to be the one you shield
I want to be the one that your love
That your love
It's shaking the sky
And I'm following lightning
I'll recover if you keep me alive
Don't (5) me behind
Can you see me? I'm shining
And it's you that I've been waiting to find
I'm holding it all tonight
I'm (6) it all tonight
You (7) (8) you make it shine
It's you that I've been waiting to find
(bis)
It's you (9) I've been waiting to find
