

Fill in the gaps

l (1)	us alone	I was trying to hide
Waiting for the light to go		I'll forget what I've done
Don't you feel (2)	hunger?	I'll be redefined
I've got so many secrets to show		It's (15) the sky
When I saw you on that stage		And I'm following lightning
I shiver with the look you gave		I'll recover if you keep me alive
Don't you hear that rhythm?		Don't (16) me behind
Can you show me how we can escape?		Can you see me? I'm shining
I was (3) my time		And it's you (17) I've (18) waiting to find
I was trying to hide		I (19) to be the one you steal
I'll forget what I've done		I want to be the one you shield
I (4) be redefined		I want to be the one that your love
It's shaking the sky		That your love can heal
And I'm following lightning		I want to be the one you steal
I'll (5) if you keep me alive		I want to be the one you shield
Don't leave me behind		I (20) to be the one (21) your love
Can you see me? I'm shining		That your love
And it's you (6) to		It's shaking the sky
find		And I'm (22) lightning
I'm holding it all tonight		I'll recover if you keep me alive
I'm folding it all tonight		Don't leave me behind
You (8) that you (9) it shine		Can you see me? I'm shining
It's you that I've been waiting to find		And it's you that I've been (23) to find
(bis)		I'm holding it all tonight
Now (10) we c	can (11) that sound	I'm folding it all tonight
I (12) that you can hold me down		You know that you make it shine
You can't pull me under		It's you (24) I've (25) waiting to find
You can raise (13)	to the ground	(bis)
Everything I can arrange		It's you that I've been waiting to find
And every part of me you change		(bis)
Just (14) me together		
Tell me you'll always want me to stay		
I was biding my time
