

I remember us alone

## Fill in the gaps

Waiting for the light to go				
Don't you feel that hunger?				
I've got so (1) secrets to show				
When I saw you on that stage				
I shiver with the look you gave				
Don't you hear that rhythm?				
Can you show me how we can escape?				
I was biding my time				
I was trying to hide				
I'll forget what I've done				
I will be redefined				
It's shaking the sky				
And I'm following lightning				
I'll recover if you keep me alive				
Don't leave me behind				
Can you see me? I'm shining				
And it's you that I've been waiting to find				
I'm holding it all tonight				
I'm folding it all tonight				
You know that you make it shine				
It's you that I've been waiting to find				
(bis)				
Now that we can hear that sound				
I know that you can hold me down				
You can't pull me under				
You can raise everything to the ground				
Everything I can arrange				
And every part of me you change				
Just hold me together				
Tell me you'll always want me to stay
