House Every Weekend by David Zowie

When it comes to house (1) weekend	House every weekend
When it comes to house every weekend	I just might get through
House every weekend, house every weekend	I love you, there's no need to fake it
I (2) you, there's no need to fake it	But staying at the (4) every weekend, I just can't
But staying at the house every weekend, I just can't take it	take it
How ever	How ever
And if I don't let myself go, let myself go, let myself go	And if I don't let myself go, let myself go, let
I just might get through	(5) go
And if I don't let myself go, let myself go, let myself go	I just might get through
I just might get through	And if I don't let myself go, let myself go, let myself go
When it (3) to house every weekend	I just (6) get through
House every weekend, house every weekend	When it (7) to house every weekend
How ever	House every weekend, house (8) weekend
House every weekend, house every weekend, house every	How ever
weekend	House every weekend, house every weekend, house every
And if I don't let myself go, let myself go, let myself go	weekend
I just might get through	And if I don't let myself go, let myself go, let myself go
House every weekend	I just might get through
I just might get through
