## Goodbye by Spice Girls

## Fill in the gaps

No no no no,	It's not the end
No no no no	(I gotta (5) it strong before the pain
Listen little child, there will come a day	(6) into fear)
When you will be able, able to say	So glad we made it
Never mind the (1) or the aggravation	Time will (7) change it, no no no
You know there's a better way for you and me to be	No no no no (You know it's time to say goodbye)
Look for the rainbow in every storm	The times when we (8) play about
Fly like an angel heaven (2) to me	The way we used to scream and shout
Goodbye my friend	We never dreamt you'd go your own sweet way
(I know you're gone, you said you're gone, but I can still feel	Look for the rainbow in every storm
you here)	Find out for (9) love's gonna be there for
It's not the end	you
(I (3) keep it strong before the (4)	You'll always be someone's baby
turns into fear)	Goodbye my friend
So glad we made it	(I know you're gone, you said you're gone, but I can still feel
Time will never change it, no no no	you here)
No no no no	It's not the end
Just a little girl, big imagination	(I gotta keep it strong before the pain turns into fear)
Never letting no one take it away	So glad we made it
Went into the world, what a revelation	Time will never, never ever change it
She found there's a better way for you and me to be	No no no no (You know it's time to say goodbye)
Look for the rainbow in every storm	No no no (And don't forget you can rely)
Find out for certain, love's gonna be there for you	No no no no (You know it's (10) to say goodbye,
You'll always be someone's baby	and don't forget on me you can rely)
Goodbye my friend	No no no no (I will help, help you on your way, I will be with
(I know you're gone, you said you're gone, but I can still feel	you every day)
you here)	No no no no (I will be with you every day)
