## Dont Be So Hard On Yourself by Jess Glynne

I came here with a broken heart that no one else could see	But I was right and you were wrong
I drew a smile on my face to paper over me	Been telling myself all along
The wounds heal and tears dry and cracks they don't show	Don't be so hard on yourself, no
So don't be so hard on yourself, no	Learn to forgive, learn to let go
Let's go back to simplicity	Everyone trips, everyone falls
I (1) like I've been missing me	So don't be so hard on yourself, no
Was not who I'm supposed to be	Because I'm just tired of marching on my own
I (2) this darkness over me	Kind of frail, I feel it in my bones
We all get there eventually	Oh let my heart, my heart turn into stone
I never knew (3) I belonged	So don't be so hard on yourself, no
But I was right and you were wrong	Oh, Oh, Oh, I
Been telling myself all along	I (8) to wave goodbye
Don't be so hard on yourself, no	How not to see my life
Learn to forgive, learn to let go	Through someone else's eyes
Everyone trips, everyone falls	It's not an easy road
So don't be so hard on yourself, no	But now I'm not alone
Because I'm just tired of marching on my own	So I, I won't be so hard on myself no more
Kind of frail, I feel it in my bones	Don't be so hard on yourself, no
Oh let my heart, my heart turn into stone	Learn to forgive, learn to let go
So don't be so hard on yourself, no	Everyone trips, (9) falls
I'm standin' on top of the world, right where I wanna be	So don't be so hard on yourself, no
So how can this dark cloud (4) raining	Because I'm just tired of marching on my own
(5) me	Kind of frail, I feel it in my bones
But hearts break and hells a place that everyone knows	Oh let my heart, my heart turn into stone
So don't be so hard on yourself, no	So don't be so hard on yourself, no
Let's go back to simplicity	Because I'm just tired of marching on my own
I feel like I've (6) missing me	Kind of frail, I feel it in my bones
Was not who I'm supposed to be	Oh let my heart, my heart turn into stone
I felt this (7) over me	So don't be so hard on yourself, no
We all get there eventually	
I never knew where I belonged
