

## Fill in the gaps

They say we are (1) we are	I am the sand, bottom (16) of the hourglass
But we don't (2) to be	(Glass, glass)
I'm bad behaviour, but I do it in the (3) way	I'll try to (17) me without you but I
I'll be the (4) of the eternal (5)	(18)
	'Cause we (19) be immortals,
I'll be the guard dog of all your fever dreams	(20)
I am the sand, bottom half of the (6)	Just not for long, for long
(Glass, glass)	And live with me forever now
I'll try to picture me without you but I can't	We'll pull the blackout (21) down
'Cause we could be immortals, (7)	Just not for long, for long
Just not for long, for long	We (22) be immor, immortals
And (8) with me forever now	Immor, immortals
We'll pull the blackout curtains down	(immortals)
Just not for long, for long	
	And live (23) me forever now
We (9) be immor, immortals	We'll pull the blackout curtains down
Immor, immortals	
Immor, (10)	We could be immortals, immortals
Immor, immortals	Just not for long, for long
	We could be immor, immortals
Sometimes the only payoff for having any faith	Immor, immortals
Is when (11) (12) again and	Immor, immortals
again everyday	Immor, immortals
I'm still comparing (13) past to my	
(14)	
It might be your wound, but they're my (15)
