

Immortals by Fall Out Boy

They say we are what we are
But we don't (1)_____ to be
I'm bad behaviour, but I do it in the best way
I'll be the watcher of the eternal flame
I'll be the (2)_____ dog of all your fever dreams
I am the sand, bottom half of the hourglass
(Glass, glass)
I'll try to picture me without you but I can't
'Cause we could be immortals, immortals
Just not for long, for long
And live with me forever now
We'll pull the blackout curtains down
Just not for long, for long

We could be immor, immortals
Immor, immortals
Immor, immortals
Immor, immortals

Sometimes the only payoff for having any faith
Is when it's tested again and again everyday
I'm still comparing your past to my future
It might be your wound, but they're my sutures
