Two Story Town by Bon Jovi

town

Fill in the gaps

I couldn't sleep	It's the same old ship going down
Took a walk down Second Avenue	I'm going down, down, down, down
Sick of dreaming (1) that never come true	It's a two story town
One way street and I know where its leading to	One shot to make a move now
There's a ;For Sale; (2) on the front door of the city	The ghosts are (4) me out
hall	Guitar solo
The subway line got graffiti crawling off the wall	And me I'm just one story
I could take a hit but I don't want to take the fall	In a two story town
That's just one side of the story	But you're never going to find me in the lost and found
In this two story town	Chorus:
Chorus:	It's just the same old sights
It's just the same old sights	And the same old sounds
And the same old sounds	I gonna take my car and drive out of (5) two story
I gonna take my car and drive out of this story down	town
It's the same old ship going down	It's the same old (6) going down
I'm going down, down ,down, down	I'm going down, down, down, down
It's a two story town	It's a two story town
There's a girl that I sleep with	Chorus 2:
She's got ecstasy eyes	It's just the (7) old (8) and the
He promised her roses and American pie	same old sounds
I called her and my demons	I gonna take my horse and ride him off this merry-go-round
And I kissed them both goodbye	I won't give in and I won't back down
Seven days of Monday morning	I'm going down, down, down down
In a two story town	I'm (9) going down, down, down, down
Chorus:	I ain't going down, down, down, down
It's just the same old sights	It's a two-story town
And the same old sounds	It's a two-story town (wacth me now)
I gonna take my car and drive out of this two (2)
