

## Fill in the gaps

I couldn't sleep	It's the same old ship going down
Took a walk down Second Avenue	I'm (17) down, down, down, down, down
Sick of (1) dreams that (2)	It's a two story town
come true	One shot to make a (18) now
One way street and I know where its leading to	The ghosts are calling me out
There's a ;For Sale; sign on the front (3) of the city	Guitar solo
hall	And me I'm (19) one story
The subway line got (4) crawling off the	In a two story town
wall	But you're never going to (20) me in the lost and
I (5) take a hit but I don't want to (6)	found
the fall	Chorus:
That's just one side of the story	It's (21) the same old sights
In (7) two story town	And the (22) old sounds
Chorus:	I (23) take my car and drive out of this two story
It's just the same old sights	town
And the same old sounds	It's the (24) old (25) going down
I gonna take my car and drive out of (8) story down	I'm (26) down, down, down, down
It's the same old ship (9) down	It's a two story town
l'm (10) down, (11) ,down, down,	Chorus 2:
down	It's just the same old sights and the same old sounds
It's a two (12) town	I gonna take my horse and ride him off (27)
There's a (13) that I sleep with	merry-go-round
She's got ecstasy eyes	I won't give in and I won't back down
He promised her roses and American pie	I'm going down, down, down down
I called her and my demons	I'm never going down, down, down, down
And I (14) them both goodbye	I ain't going down, down, down, down
Seven days of Monday morning	It's a two-story town
In a two story town	It's a two-story town (wacth me now)
Chorus:	
It's just the same old sights	
And the same old sounds	
I gonna (15) my car and drive out of this two	
(16) town
