

Fill in the gaps

From the (1) of my eye	A (6) is but a kiss
To the back of my mind	You'd be a fool to want more from me
I recognize (2) you mean to me	And I'm gone in a while
And all the corners of our pictures	I'll be gone in a while
Are a long time afraid	I'll be gone in a while
They (3) symbolize what you mean to me	It's all (7) I do
You ask me to remember	From the corner of my eye
A kiss is but a kiss	Through the back of my mind
Well I'd be a (4) to want more from you	I (8) what you mean to me
And I'm gone in a while	And the easy promises captured in one kiss
I'll be gone in a while	We had and we seek and we squander
I'll be gone in a while	That there's more
It's all that I do	Something more than me
I'll cry and you cry and we'll cry	And I'm (9) in a while
Till the rain (5) black	I'll be gone in a while
And the devil moves and clings to us	I'll be gone in a while
And for a moment there is beauty	It's all that I do
It's not a simple yearning	It's all that I do
Sometimes it feels like it's all I've gotten	It's all that I do
It's all a dream	
And I ask you to remember
